gardeners went away and there was nothing to watch out the window but the cabbages. All the teachers of the art magic on Roke were women. There were no men of power, few men at all, center of the world. The young man, called Ivory, did not actually have his staff and cloak yet; he explained that he, Maharion and Erreth-Akbe became "hearts brothers." They spent ten years together fighting the Kargs, whose occasional forays from the East had in recent times become a slave-taking, colonising invasion. Venway, Torheven and the Torikles, Spevy, Perregal, and parts of Gont were under Kargish dominion for a generation or longer. At Shelieth on Way, Erreth-Akbe worked a great magic against the Kargish forces, who had landed in "a thousand ships" on Waymarsh and were swarming across the mainland. Using an invocation of the Old Powers called the Waterlore (perhaps the same that Elfarran had used on Solea against the Enemy), he turned the waters of the Fountains of Shelieth-sacred springs and pools in the gardens of the Lords of Way-into a flood that swept the invaders back to the seacoast, where Maharion's army awaited them. No ship of the fleet returned to Karego-At..then slept suddenly and deeply. She woke as suddenly when the east was just getting light. She harassing him. Later on she would go into the village, have a word with some of the sensible. He asked her, rather timidly, to tell him what the Immanent Grove was, for when he had asked others they said, "Ember can tell you." She refused his question, not arrogantly but definitely, saying, "You can learn about the Grove only in it and from it." A few days later she came down to the sands of Thwil Bay, where he was repairing a fishing boat. She helped him as she could, and asked about boat-building, and he told her and showed her what he could. It was a peaceful afternoon, but after it she went off in her abrupt way. He felt some awe of her; she was incalculable. He was amazed when, not long after, she said to him, "I'll be going to the Grove after the Long Dance. Come if you like." back to see the light shine through the thousand leaves of the tree carved in the high door in its. some of their beliefs are closer to Kargish than to Hardic. Ordinary Hardic, for matters of government or business or personal messages or to record history, tales, and songs, is written in the characters properly called Hardic runes. Most Archipelagans learn a few hundred to several thousand of these characters as a major part of their few years of schooling. Spoken or written, Hardic is useless for casting spells. Gelluk stopped and said nothing for some time, thinking, his face excited. Otter glimpsed the images in his mind: great fires blazing, burning sticks with hands and feet, burning lumps that screamed as green wood screams in the fire. "What I have to do, you see," the old wizard said, still talking to Silence because it was a comfort to talk to him even if he was no longer there, "is get into the mountain, right inside; but not the way a sorcerer-prospecter does; not just slipping about between things and looking and tasting. Deeper. All the way in. Not the veins, but the bones. So," and standing there alone in the high pasture, in the noon light, Heleth opened his arms wide in the gesture of invocation that opens all the greater spells; and he spoke. and face twitched, her teeth chattered. He held her close against him, trying to warm her. "Would you come back to me?" he said. "Would you go with me, live with me, marry me, Darkrose?" her, and the cat dreaming, and the fire flickering. He had come over the dead mountain on black. Otter was reluctant to answer. He had to like Hound, but didn't have to trust him. "Shape-. Go tell the village sorcerer to earn his keep!" The ship's weatherworker came aboard just before they sailed, no Roke wizard but a weatherbeaten. "The problem is. . . ." The tall man in his tall hat suddenly sat down on the dirt beside Otter, quite close to him. His breath smelled earthy. His light eyes gazed directly into Otter's eyes. "Would you like to know? You can know anything you like. I need have no secrets from you. Nor you from me," and he laughed, not threateningly, but with pleasure. He gazed at Otter again, his large, white face smooth and thoughtful. "Powers you have, yes, all kinds of little traits and tricks. A clever lad. But not too clever; that's good. Not too clever to learn, like

some... I'll teach you, if you like. Do you like learning? Do you like knowledge? Would you like to know the name we call the King when he's all alone in his brightness in his courts of stone? His name is Turre. Do you know that name? It's a word in the language of the Allking. His own name in his own language. In our base tongue we would say Semen." He smiled again and patted Otter's hand. "For he is the seed and fructifier. The seed and source of might and right. You'll see. You'll see. Come along! Come along! Let's go see the King flying among his subjects, gathering himself from them!" And he stood up, supple and sudden, taking Otter's hand in his and pulling him to his feet with startling strength. He was laughing with excitement..not a shred of power left in me to follow him with. So he got away from Roke. Clean gone..Nobody fools with me. We make a pretty good living. Winters, I go stay with Mother and help her."I think, if you stayed, Heleth, we could talk.".between the roots of a big old tree, he found himself a place not far away to sit; and as she exerted considerable political power. On the whole this power was used benevolently. Maintaining.The one with a voice like a deep-toned bell looked at her too, and spoke to her with a plain, kind severity. "As I see it, the man who brought you here meant to do harm, but you do not. Yet being here, Irian, you do us and yourself harm. Everything not in its own place does harm. A note sung, however well sung, wrecks the tune it isn't part of. Women teach women. Witches learn their craft from other witches and from sorcerers, not from wizards. What we teach here is in a language not for women's tongues. The young heart rebels against such laws, calling them unjust, arbitrary. But they are true laws, founded not on what we want, but on what is. The just and the unjust, the foolish and the wise, all must obey them, or waste life and come to grief.".They set off along the wharves, asking for a ship bound south that might take a wizard and his prentice to the Isle of the Wise, and soon enough they found a heavy trader bound for Wathort, whose master would carry the wizard for goodwill and the prentice for half-price. Even half-price was half the cheese money, but they would have the luxury of a cabin, for Sea Otter was a decked, two-masted ship..there was nothing much to say about herself..of the Earth
