They descend the gently sloped embankment and were to can her and talk to her nicely. "I'm glad I wasn't alive then," Marie said from behind him. "I can't imagine whole cities burning. It must have been horrible." "They've still got the Army... and a lot of nasty hardware up here," Lechat reminded him. "Forget it." CHAPTER TWENTY among its contents that even the low rhythmic wheeze of the idling engine provides sufficient screening. Pernak twisted his face through a few contortions, then sighed again. "I know. That crossed my mind too, but what is there to provoke any real trouble? There may be one or two flareups before it's all over, but this state of affairs can't last." He shook his head. "We're convinced 'this is the only way to go. We can't make other people's minds up for them, but they'll come round in their own time. Anything else would cause worse problems." with wonder as she contemplated the immensity of creation.. An SD sergeant interrupted from behind Lesley. "They're here sir. Carriers coming through the lock." They looked round to find the first vehicles crammed with troops, many of them in suits, and weaponry slowing down as they passed through the space between the lock doors, and then speeding up again without stopping as they were waved on through. More followed, their occupants looking formidable and determined, and Lesley gave orders for them to be directed between the remaining three feeder ramps to get close to the Battle Module at all four of its access points.. stall to stall, pushing all the flush levers in quick succession. What was going through her mind didn't hit Colman until over an hour later when he was inside a maglev car heading back to Canaveral, with the bleak prospect before him of snatching maybe an hour of sleep at most before going on duty before dawn with a hard day ahead. "I don't get your attitude." "No doubt," Noah said, "they were once troubled youths rescued from a life of mischief, and. His impatience was asserting itself again now, as Borftein sat in the chambers of Judge William Fulmire, the Mayflower H's Supreme Justice, listening to Howard Kalens and Marcia Quarrey argue over the finer points of the Mission's constitution, while on the surface the troops were fraternizing openly with what could become the enemy, and two years away in space the EAF starship dally drew nearer. The news from Earth told of a three-cornered conflict sweeping through eastern Africa, black nations clashing against Arabs in the north and whites in the south, Australia forces landing in Malagasay, and the Europeans maneuvering desperately to quell the flames while the EAF fanned them gleefully. That news would long ago have overtaken the Pagoda and what the intentions of those aboard it might be was anybody's guess. It wasn't a time to be fussing over ambiguous syntax and legal niceties. After giving her good looks, fate had never again been generous. Consequently, Micky wasn't able to. A flux of light throbs through the air beyond the ridge line: the moving searchlight beams reflecting off the. Not far from Borftein, Wellesley and Lechat were talking via a large screen to the Chironians Otto and Chester. Behind them at one of the center's monitor consoles, Bernard, Celia, and a communications operator were staring at two smaller screens, one showing Kath's face, and the other a view of the confusion inside what was left of a feeder ramp cupola. Or, at least, the three that lived with him. Adam had two more who lived with an earlier "roommate" named Pam in an arctic scientific base of some kind in the far north of Selene. Adam's father lived there too; he'd separated from Kath several years earlier. Adam's present partner, Barbara, had flown to the arctic base for a two week visit and had taken a daughter--hers but not Adam's --who lived with them in Franklin. Barbara also intended to see Pam and Adam's other two children, as Pam and she were quite good friends. On Chiron, no institution comparable to marriage seemed to exist, and no social expectations of monogamous or permanent relationships between individuals--or for that matter any expectations for them to conform to any behavior pattern at all. "What are you suggesting?" Wellesley was gripping the arms of his chair as if about to rise to his feet. "Withdraw that accusation at once!". Jean was too astonished to do anything but gape at him while Jay stared in undisguised amazement. Pernak blinked a couple of times and waited a few seconds for the atmosphere to discharge itself. "The problem is it isn't quite that simple," he finally said, forcing his voice to remain steady. "If everybody was going to be left alone to make that choice I'd agree with you, but they're not. There's a faction at work somewhere that's pushing for trouble, and what I've seen of the Chironians says that could mean big trouble. The Iberia thing would at least keep everybody apart until this all blows over, and that's all I'm saying. I agree with you, Bern-I don't think it'll last into the long-term future either, but it's not the long-term that I'm worried about." He glanced at Jean apologetically. "Sorry, but that's how I think it'll go." deliver, would you? You're really going to shaft his wife?". stirring the contents of a bubbling soup pot. In a crouch, he crosses the roof to the brink.
